MATERIALS:

LSB-Limestone Boulder, CP-Culvert Pipe, CR-Concrete Rubble, CRB-Concrete Reef Balls, CM-Concrete Modules, BR-Bridge Rubble

LEGEND:

- Captain Chad Allen Reed Sr. Memorial Reef - No man has given more for his family and community. In Our Memory.
- Michael McCaskill Family Reef - An educator that brought understanding and opportunity to Dixie County youth.
- David J. Osteen Family Reef - A man and his family giving back so others may share in all that Dixie offers.
- Marvin Hunt & Son Reef - A father and his son building for the future of Dixie.
- Ronnie Edmonds Family Reef - Believed, supported and was continually an active part of the project from the beginning.
- Chris Horner Family Reef - A family of support that without them, the project would not be what it is today. Dixie tips it's Hat.
- Jim Kern Family Reef - Supporters of the Horseshoe Beach Reef System. Dixie thanks you.
- Fornaciari, Laura & Family - Behind every man.....
- Cassidy, Mike & Family - The humble project backbone.

Builders Reef (rd) / Dixie Road Department: Builders Reef (sw) / Dixie Solid Waste Department

It takes a lot to move 1175 tons of material to build reefs and even more to keep up with the responsibilities of their daily jobs.

Dixie County Knows You and Thanks You!
